

100 Frogs

I have a story and it happened one night
Back in my hometown around the twilight
Followed Kamilla right down to the creek
I thought she wanted to play hide and seek
I heard hundred of frogs sing while dancing
Hundreds of frogs were dancing

Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop

I am a dancer so I joined right in
Hipping and hopping and wearing a grin
Dancing together it was quite the scene
One hundred 'froggy's' all dancing with me
I heard hundred of frogs sing while dancing
Hundreds of frogs were dancing

Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop

Then suddenly
They stared at me
They stopped dancing
Kamilla say something

"Uh, this is my friend Kellie, and you don't have to be a frog to do a frog dance do you?"

They waved me over and we danced through the night
This newest dance craze that's out of sight
A secret frog dance you'll never forget
You can dance with them just wait 'til' sunset

I heard hundreds of frogs sing while dancing
Hundreds of frogs were dancing

Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop.

I heard hundreds of frogs sing while dancing
Hundreds of frogs were dancing

Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop
Hop hop side to side hip hippity hop hip hippity hop.
